DeVorss Co ,U.S., United States, 1999. Paperback. Book Condition: New. New edition. 173 x 127 mm. Language: English . Brand New Book. RESPECT, TRUST, COMMITMENT. These are the cornerstones of a dedicated relationship between a teacher and a student. For a passionate student yearning to learn and understand the essence of a subject, they must demonstrate these traits before a teacher will take them under their wing. In this case, the teacher was Thomas Troward of Cornwall England and the student was Genevieve Behrend. Not long after her time with Troward, Behrend began her mission in New York City where she established and headed The School of the Builders up until 1925. She then established another school in Los Angeles before touring other major cities throughout North America for the next 35 years as a celebrated lecturer, teacher, and practitioner of Mental Science. Behrend presents the Troward philosophy at its best because of the way her incomparably direct, and dynamic personality relates the life-changing concepts on a personal level. Now it's up to you to respect, trust, and commit.
