After struggling through a divorce, a car accident, and years of going to church without knowing what God's purpose was for him, author T. H. Davis began to see his life with new eyes. And though his view was fairly bleak, he started to recognize hopeful signs that God was up to something—that change was coming. Both a personal memoir and spiritual guide, The Rear View Mirror follows Davis as he looks back at who he was and the relationships he's had in order to learn the truth about who he is made to be and what it means to love and be loved. A blend of biblical wisdom, hard-won personal insights, and probing questions that bring you into the conversation, this book offers simple life-changing guidance that will help you not only rediscover yourself as the wonderful man or woman God created you to be, but also prepare you to finally receive the blessings God has been waiting to give you. Your life is about to change. The road will not be easy, but take comfort, dear friend—you are not alone. Are you ready to try things God's way?.
